

According to us, we are irreplaceable...

... and when we participate in the 2020 Census, we show others how our communities have grown. We may think that our tribes will count us in the census, but we need to respond ourselves. Our tribes do not provide enrollment numbers to the U.S. Census Bureau. The 2020 Census is the count for all American Indians and Alaska Natives, no matter our age or where we live. We use data from an accurate count to plan for programs and services in our communities.
